## **Jacob Fisher, *Director***

Thank you for attending this year's Spring Musical 9 to 5. It means a great deal to all of the students and staff to be able to perform with this amazing talented cast and crew. This musical had its brilliant highs and balanced with scary lows. We all worked very hard through the struggles and the sacrifices to achieve a wonderful and entertaining performance for your entertainment. I want to thank my friends, this extremely talented adult staff. Thank you to the ever calm Mr Oliver and your movie list and Mrs Stachon and our insightful conversations, much love. The newest member to Stagg Drama and Musical staff, thank you to Ms Hayes and your support. It hasn't gone unnoticed the connections you have made with these students. I want to give big thanks to Mr Mecozzi and his wisdom, including the outstanding Orchestra Musicians. Mr Betz, thank you for your compassion and for always listening, I'm in your debt. Thank you again to these amazing individuals. I can't say this enough to Mr Peder Reiff, "I have a huge amount of respect for you". To the most important people in the theater, the Students! They deserve their beautiful moments on stage, backstage, under the stage, in front of the stage, and even above the stage. Thank you to all of you! Once again, thank you for attending, and I hope you enjoy this performance!

## **Kasey Hayes, *Assistant Director***

Thank you for attending our production of 9 to 5, we are so glad you could make it. Though I have been doing musical theater since 2002, this is my first production with Stagg High School. I am so unbelievably blessed to have had the opportunity to work with such an amazing group of students and staff. To Mr. Fisher, Mr. Betz, Mr. Mecozzi, Mrs. Stachon and Mr. Oliver, Thank you all for being so welcoming and supportive throughout this entire process. To the students I have had the privilege to work with these few months, I value the time we've spent together and the memories made. Thank you all for your hard work, I am so proud of each of you. Never be afraid to stop by the 400s to say hello. Thank you to my family and friends for the unwavering patience and support. Couldn't have done it without you all.

## **Robert Mecozzi, *Orchestra Director***

On behalf of the members of the pit orchestra, welcome to the 2022 musical "9 to 5". The students have spent countless hours putting together the musical accompaniment to complement the wonderful talents of the actors/actresses. The "pit" members are a voluntary group of student musicians (along with professional musicians to cover other parts) that rehearse outside the regular school day, and show tremendous dedication and energy throughout the entire process.

# Senior Bios

If you've never seen this show or listened to the music, you are in for a wonderful treat! Dolly Parton is one of the most recognized country singers and songwriters of all time, The most recognizable song is her number one hit "9 to 5" (you won't have to wait very long to hear it), but this show is a lot more than just one song. It demonstrates the wide range of Dolly Parton's songwriting abilities and goes beyond just country music. In a way, the music in the show is a reflection of one of the main themes of the story - that people are more than just their looks and appearances. Each of the three female leads (Violet, Doralee, Judy) are very different women with very different stories and very different personalities, yet they find there's more than meets the eye to each of them.

I am so proud to be part of this production, and am especially proud of all of these incredible students. Their energy and enthusiasm has been infectious, and they have shown incredible work ethic throughout the production. They have been remarkably flexible with their schedules, and shown an incredible ability to rise up and take on this production. It's been my pleasure to work on this show!

Thanks goes out to our incredibly talented students, the parents for getting them to rehearsals and all of their continued support, and to our incredible staff of Mr. Fisher, Ms. Hayes, Mr. Oliver, Mrs. Stachon, and Mr. Betz! It has been a tremendous pleasure working with all of you. And a very special thanks to my wonderful and amazing wife, Georgann, and our beautiful daughters, Lulu and Cece! Enjoy the show!

## Kai

Kai has been a part of the Stagg Drama program since her freshman year. She has done Costumes throughout all 4 years. Outside of drama she enjoys participating in Winter Guard, writing, and listening to music. Her favorite show was Clue her sophomore year. It was her favorite because of the fun colors and costumes they had to pull. For what lies ahead Kai plans on attending the University of Illinois in Chicago to become an Elementary teacher. Kai also wants to thank Mr. Fisher, Mr. Oliver, her other costume girls, and everyone who makes this program possible.

## Sarah Dumoulin

Sarah DuMoulin has been a part of Drama Club since her freshman year, and has been involved in seven shows. Freshman year, she started off as an actor, but then decided to experiment with props crew in the 2019 Fall Show Don't Drink the Water, where she was able to use her knowledge of being broken to help actors maneuver a wheelchair. Of her experiences, Christmas Carol (2018 and 2019) had been her favorite shows. Even though she had smaller parts, Sarah explained that there wasn't another show with that atmosphere, not to mention the fake snow fights afterwards. For this show, her last show at Stagg, Sarah decided to become a member of the pit orchestra and play clarinet for 9 to 5, and she is very proud of the rest of the pit for all their hard work. She would like to thank everyone who has supported her, including her family, past and present drama members, Mr. Fisher, Mr. Oliver, and Mr. Mecozzi. Sarah is very grateful for the wonderful memories she's had in Drama.

## **Guadalupe Garcia**

Guadalupe Garcia is a Costume head, She has been in costume for the last four years of high school. She is always in the back helping actors get ready and checking all the costumes. Guadalupe has a wonderful time working with her fellow costume members and fixing and making costumes. She is planning on having a wonderful time on her last show in high school.

## **Tiffani Kawa**

Tiffani Kawa is a stagg senior this year. She has taken part in a total of 15 different shows at stagg making this one her 16th. Sadly also her last, she wishes everyone the best with all their shows to follow. She is going to miss this place a lot where a theater became her home and friends became her family. Tiffani never could have imagined how much Drama club would shape her life into the person she has become today. She is so happy to be making this her fourth year in lighting. She would like to give thanks to Mr.Oliver and Mr.Fisher for supporting her over the years. She also wants to give a big thanks to her family and friends for always being by her side. Tiffani is also in Stagg's marching band and choir. She has committed to Illinois state university with the intention of studying computer science

## **Claudia Majercak**

Graduating high school can be a very bittersweet experience. Claudia is excited to finish off her senior year with this amazing musical, 9 to 5. Musical has always been Claudia's favorite show to be involved in. Unfortunately, sophomore year the show was cancelled. This was very sad however it gives more reason to be excited for this year's musical. She's been involved in 11 shows throughout high school, this being her 12th. Drama Club has been a place where Claudia feels that she is around the most welcom-

ing and accepting group of people. She looks forward to going to crew almost every day after school, even if school itself is tiring. The people she is surrounded by during crew, including staff like Mr. Oliver and Mr. Fisher, are the reason she is able to have as much fun as she has. She wants to give a big thank you to Mr. Oliver for being a great mentor and letting her goof around while working on the shows with his favorite crew, the best and most productive crew ever, props. She also wants to give a big thank you to Mr. Fisher for dedicating so much of his time to drama and crew, it does not go unnoticed. Another humungous thank you to Anna and Adam, for being Claudia's co-propsheads. They have been alongside eachother for almost all shows and it would not be the same without the 3 of them together. Also a huge thank you to Alaina, Katerina, and Emma, who graduated last year, for introducing Claudia to props, and creating so many funny memories with her, especially with making foam weapons, and other foam objects...Props gang 4 Life. <3 Claudia plans on going to UIUC to study mathematics, and she can't wait to visit Stagg to watch the shows in the following years that she knows the younger classes will work so hard on.

## **Adam Rimawi**

Adam Rimawi is a senior and Props Head in Stagg Drama Club. He is also on Drama Board as the Photographer for the Drama Club, where he photographs the sets of the drama shows. Adam has worked in multiple crews including props, construction and sound for every show in the past 4 years. He is very thankful for all of his friends in the Drama Club, especially the other Heads in Props crew. Lastly, he thanks Mr. Fisher and Mr. Oliver for their roles in leading the club.
